Tips For Choosing Home Care

- Make sure the agency is licensed by the Texas Dept. of Health & Human Services. The agency should be able to quote you their hourly rates BEFORE coming to your home.
- Ask if the agency has a registration, trip fee or minimum hours.
- Ask if rates increase on night, weekends, or holidays.
- Ask for the credentials and experience of their administrator.
- Ask if caregivers can provide weight bearing personal care, make transfers or provide transportation.
